LEARN HOW TO WORK WITH ENERGY!

OUR CURRENT PERSONAL,
SOCIAL AND
ENVIRONMENTAL ISSUES
HAVE BECOME TOO COMPLEX
TO TACKLE IN THE USUAL
WAY. THAT IS WHY NEW
WAYS ARE URGENTLY
NEEDED. DO YOU WANT TO
LEARN SOME OF THEM? YOU
ARE VERY WELCOME!

You learn how to:

- become more effective by managing your personal energy,
- create flow in your personal and professional life,
- clean the energy of rooms and offices,
- make your intentions work by visualizations and affirmations,
- charge the meetings you are in with positive energy,
- protect your energy against negative influences,
- remove old blocking patterns,
- ask questions in the way you get inspired answers,
- implement this at home, in projects, organizations and relationships,
- and more...

No foreknowledge is needed.

JON.MARREE@INTINN.NL

Marieke Mosk

Studied massage-therapy, based on the nature of all things that everything correlates. Followed by studies concerning the bigger picture including Family Constellations and Shamanistic work. She now professionally works with 'bodies' in the widest sense of the word in individual and group meetings. She supports self-healing, soul consciousness and empowerment rooted in intention, understanding that we are the creators and the creation at the same time.

Jon Marree

Studied political sciences in Amsterdam. He is educated by and attached to Center for ECOintention (Germany) which developed an integral method of life-energy management and balances the energy of about 100 international projects per year. He is also mentor in the four-years vocal training for ECOintention Practitioner and co-founder of INTINN change energizing consultants.
